We are proud to be launching a must read book
Being Jewish Today: Confronting the Real Issues

As we approach the High Holy Days, join us for a discussion with author Rabbi Tony Bayfield (former Chief Executive and president of Reform Judaism) led by Lord Daniel Finkelstein (Associate Editor of The Times) and Rabbi Alexandra Wright (Senior Rabbi of the Liberal Jewish Synagogue) and chaired by Rabbi Dr Andrew Goldstein (President of Liberal Judaism).

An entertaining but serious exploration of what it means to be a Progressive Jew in Britain today told through the life experiences of this leading rabbi and leader of Progressive Judaism and Professor of Theology at Leo Baeck College. A book so easy to read yet hard to put down.

Rabbi Dr. Andrew Goldstein
President of Liberal Judaism
