DAVENTRY

BIENNIAL WEEKEND

Join us for our first in-person Biennial for five years! Liberal Judaism has grown a lot in that time, reaching more people than ever. The question is what's next? How do we decide the future of the Movement and what the priorities should be? The Biennial is an amazing opportunity to be part of this conversation and ensure that the things that you care about are on the agenda!

Featuring three international keynotes:

Rabbi Dr Lawrence A Hoffman, Rebecca Soffer and Dr Joel M Hoffman

- 10 tracks packed full of LJ rabbis, LJ members and our collaborative partners
- A heavily subsidised Emerging Leaders track. Each of our communities can nominate one emerging leader from their community to attend the whole of Biennial for just £50, with extra programming and post-Biennial support as well
- Services, spirituality, music, nostalgia, fresh ideas and fun (we've got a whole track dedicated to it this year!). LJY-Netzer will be running a parallel youth track and there's a professionally staffed creche, so Biennial really is for all ages!
- Finances are never a barrier to attending any LJ events. Please contact us to discuss options.
